

# **School Board Trustee Grading Rubric**

### **COLLABORATION**

**STEWARDSHIP** 

**EQUITY** 

### **LEADERSHIP**

## HIGH

**Strong evidence** of leadership characteristic because the Trustee...

- Regularly referenced the effect of a proposed policy on students and/or student outcomes.
- Supported equitable, datadriven, student-centered policy decisions.
- Offered clear solutions/ alternatives supported by data/research.
- Demonstrated a clear understanding of established district goals and asked about progress toward those goals.

Acknowledged general effects

Recognized specific students

or programs in his/her district.

of school board policy on

Generally supported data-

driven, student-centered

policy but with no evidence

of a clear understanding of

or progress.

implications on district goals

students/outcomes.

- Actively participated in discussion of several policy issues and/or made policy recommendations through a subcommittee.
- Demonstrated respect and decorum by following established meeting procedures.
- Positively acknowledged the work of fellow trustees and district administrators.
- Actively participated in discussion of matters dealing with budget, finances, or funding
- Demonstrated concern and/ or deep knowledge about the use of resources.
- Demonstrated concern about the allocation of resources across the district.
- Acknowledged the difference of needs among students, schools, and neighborhoods.
- Clearly and comfortably discussed the needs of both their constituents and the entire school district.
- Demonstrated respect for district administration and structure.

# MED.

**Limited evidence** of leadership characteristic because the Trustee...

of leadership

characteristic because

the Trustee...

- LOW
  - Did not support data-driven, student-centered policy decisions and/or opposed proposals without offering solutions/alternatives.

- Did not actively participate in policy discussions and/or made no policy recommendations through a subcommittee.
- Demonstrated respect and decorum by following established meeting procedures.
- Repeatedly left meeting space during presentations or discussion.
- Left the meeting early.

- Did not actively participate in discussion of matters dealing with budget, finances, or funding.
- Did not acknowledge the use of resources.
- Addressed concerns of only students/families in his/her trustee district.
- Did not speak on matters of equity in the district.
- Was silent or hard to understand during policy discussions.
- Demonstrated a general understanding of district administration and structure but broke with protocol on specific matters.

#### Did not address any policy No evidence issue/concern.

- Did not attend meeting.
- Publicly insulted/antagonized fellow trustees, other elected officials, members of the administration, or members of the general public.
- Did not attend meeting.
- Spent more meeting time discussing matters outside of the Board's control (e.g. state laws/mandates) than matters within the Board's control (e.g. school-based budgeting).
- Did not attend meeting.
- Did not address the concerns of students/families from traditionally underserved populations.
- Did not attend meeting.
- Did not address any district needs.
- Publicly insulted/antagonized district administration.
- Made public attempts to undermine district structure/ protocol.
- Did not attend meeting.

<sup>\*</sup> The overall rating also takes into account the percentage of time the school board spends discussing meeting student outcome goals each board meeting.
